“Making Safety #1”

ISO 9001
QMS-9001 Global

COMPANY PROFILE

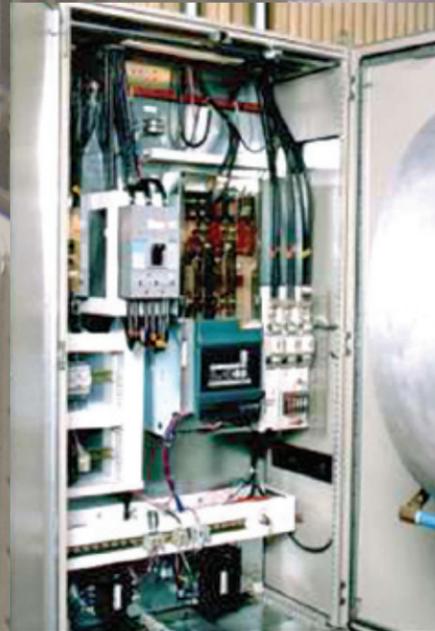

Walden Electrical Ltd. offer's over 30 years experience and a staff of highly skilled supervisors and tradesmen.

Our team provides a wide variety of services, including all aspects of electrical work, from Programmable Logic Controller (PLC) wiring to high voltage installation and termination.

In 1996 we introduced a quality management system that continues to be implemented and upgraded in compliance with ISO 9001 Standards.

Walden Electrical's attention to detail ensures that we avoid costly delays, meet our strict safety standards and ensure our clients satisfaction at all times.

With our combined knowledge and experience we offer the know how and the quality workmanship our customers deserve.

OUR SERVICES

We provide experience and expertise in a wide range of areas including but not limited to:

- Total Underground Distribution Systems (600v-15Kv)
- Total Surface Distribution Systems (600v-120kv)
- Low/Medium Voltage Switchgear Modifications
- Hoist and Crusher Installations
- Trolley Line and Kiruna Installations
- Shaft Cable Installation
- Phone, Blasting, Fibre Optic and PLC Systems
- Ventilation and Pumping Systems (10HP-3000HP)
- Electrical Switchroom Construction

Specialty Programs offered by Walden Electrical also include:

- HiPot Testing
- Fault Location Equipment
- Thermal Camera Imager
- Commercial Buildings
- Dry Ice Blasting

MISSION STATEMENT

Walden Electrical is an electrical and underground construction service provider based in Sudbury, Ontario.

We are a company that is dedicated to the health and safety of our workers, friends and families and provide the necessary resources to ensure the highest standards of safety are achieved at all times.

Walden Electrical is committed to providing quality personnel and materials, to safely achieve customer specification and to continually improve our processes.

Walden Electrical maintains the following quality objectives:

- To do the job right the first time, on time, every time and always to specified requirements and customer satisfaction
- To avoid repairs, re-work or delays by means of early detection, reporting and correction of any problems or unsatisfactory conditions
- To ensure proper materials/equipment are being used by trained and qualified personnel only

VISION STATEMENT

It is Walden Electrical's ambition to become one of the largest, well known and diversified companies in all of Northern Ontario, known for our high quality of workmanship, service and customer satisfaction while maintaining a superior safety record.
