Dear Martin Short, Walden Group,

Sports for Kids Timmins board would like to thank you and your company for holding the Walden Tournament and choosing Sports for Kids as your charity. This year you raised \$5218.00 that will help Timmins children from low income families be able to play sport. We really appreciate you donating this money to our charity as we are always struggling to raise enough money so that we do not have to turn down any child.

Attached is our latest "Progress Report" showing how many children we have helped to date this year and since our launch in 2002.

Again Martin thank you as I know you do all the work and we hope that you will continue to support our charity "So All Kids Can Play".

All sponsors have received charitable receipts and a thank you.

Thank you!

Sincerely,

A handwritten signature in cursive script that reads "Colleen Landers".
