

JOB DESCRIPTION:

Position Title: Equipment Assembler

Reports To: Shop Foreman

Job description

Walden Equipment is growing! If you have a passion for precision and enjoy working in a hands-on environment, we invite you to apply for the position of Equipment Assembler and be a crucial part of our innovative team.

As an Equipment Assembler, you will play a crucial role in the production process by meticulously assembling various types of equipment. Your attention to detail and precision will contribute to the creation of high-quality products that meet or exceed our standards.

Responsibilities include, but are not limited to:

Assembly of Equipment: Read and interpret assembly instructions, blueprints, and schematics. Assemble components with precision, ensuring proper fit and alignment. Utilize hand tools, power tools, and other equipment to complete assembly tasks.

Quality Control: Conduct thorough quality checks on assembled equipment to identify and rectify any defects. Ensure all assembled products meet the company's quality standards.

Documentation: Maintain accurate records of completed assemblies, including any issues encountered and resolutions applied. Provide feedback on the assembly process to improve efficiency and quality.

Collaboration: Work closely with team members, including engineers and supervisors, to troubleshoot issues and improve assembly processes. Communicate effectively within the team to ensure a smooth workflow.

Safety Compliance: Adhere to safety guidelines and protocols to create a secure working environment. Report any safety concerns or incidents promptly.

Qualifications:

Experience: Proven experience as an equipment assembler or in a similar role. Familiarity with various hand tools, power tools, and assembly techniques.

Technical Skills: Ability to read and interpret technical drawings and blueprints. Proficiency in using tools and equipment related to the assembly process.

Attention to Detail: Exceptional attention to detail and precision in assembly work. Ability to identify and correct defects during the assembly process.

Team Player: Strong communication skills and the ability to collaborate effectively within a team.

Physical Stamina: Ability to perform physical tasks, including standing for extended periods and lifting moderate weights.

Benefits:

Competitive salary

Group RRSP Plan

Group Benefits

Corporate Events

Opportunities for skill development and advancement

The above description reflects the general scope and nature of the work performed. This description is not intended to reflect every duty and responsibility of the position but is intended to give a general outline of the position and its responsibilities. It is understood that the duties and responsibilities may change from time to time.
